FIRST CALL FOR PAPER

We are pleased to announce the twentieth edition of the biennial conference of the *International Graphonomics Society* that will take place from 7 to 9 June 2022 in the "Elder museum of science and technology" in Las Palmas de Gran Canaria, Spain.

The overall objective of this conference is to provide a single track space of discussion about the graphonomic impact trends in other skilled human movements and vice versa. To this aim, IGS2021 is intended to be a stimulating conference to encourage research and discussion from an interdisciplinary point of view.

Topics of interest (but not limited to) are:

- *Neuroscience*
- *Handwriting generation, analysis and recognition*
- *Biometrics: writer identification and signature verification*
- *Symbol, Equation, Sketch and Drawing*
- *Human Computer Interaction*
- *Sports movements assessment*
- *Medical applications*
- *Forensic applications*
- *Cultural Heritage applications*
- *Large digital archives*
- *2D/3D Kinematics analysis*
- *Creativity, cognitive and brain-inspired art*

Special Sessions:

- *Fine-motor motion and eye-movement based biomarkers*
